

**New York City District Council
Of Carpenters Local 45
Endorses Rory Lancman for
the 25th Assembly District
(pdf)**

"The thousands of hardworking men and women who compose Carpenters Local 45, based in Queens, represent the heart and soul of this City, and I am proud to have their support," stated Rory Lancman, who accepted the union's endorsement from Business Manager John Early (right).

"They build New York, and I look forward to going to Albany to ensure that their job sites are the safest in the country, that they are able to organize and bring union protections and benefits to all workers, and that New York continues to invest in its infrastructure so our economy continues to grow."
