"I am very honored to have the support of DC37 Vice President and DC37 Retirees Association President Stuart Leibowitz, a long-time leader in the municipal labor movement and a tireless fighter for working people," said Rory Lancman.

"As President of the 25,000 members strong DC37 Retirees Association (the largest organization within DC37), Stuart is at the forefront in the fight to protect worker pensions and health care benefits from erosion, and this is a fight we will continue to wage together once I am elected to the Assembly," added Lancman.
