

**Former Queens Borough President
Claire Shulman Endorses Rory Lancman
for the Twenty-Fifth Assembly District
(pdf)**

"Claire Shulman gave me my start in community service when she appointed me to Community Board 8 sixteen years ago, and she represents all that is right about public service," stated Rory Lancman. "Claire and I worked closely to save Queens Hospital Center from privatization when I chaired the hospital's Community Advisory Board, and I still have the ceremonial shovel we used to break ground on the new, state of the art, Queens Hospital Center facility. We share a commitment to public service in general and quality health care in particular, and I look forward to extending our partnership once I am elected to the Assembly."
